

TCSPA Requirements for Officials' and Swimmers' Attire

OFFICIALS' ATTIRE

The Referee, Starter, and Stroke/Turn Judges must wear a white collared, 2 or 3 button "golf-style" shirt and navy blue slacks, skirts or shorts. Tee shirts or tank tops are not allowed. Recommended but not required are sunglasses, hats and non-skid sneakers, or deck shoes.

SWIMMERS' ATTIRE

TCSPA will follow the USA Swimming guidelines and protocols regarding swimsuit attire during competition. This is described in the USA Swimming Technical Rules, Section 102.9 – Swimwear.

Go to the USA Swimming web site (www.usaswimming.org) and link to volunteers then officials then rules and regulations. The rulebook can be viewed. Additional clarification can be found under the heading of "New Swimwear Rules" on that page, including the procedure for applying for a "Waiver of swimsuit restrictions for religious or medical reasons". Those requests would be sent to the TCSPA Swimming and Officials Coordinator. The list of approved swimsuits is found there as well.
